HOME FIRE ESCAPE PLAN

Post completed plans on your refrigerator so that everyone in your home can see it!

- Draw a floor plan or a map of your home. Show all doors and windows.
- Mark two ways out of each room.
- Mark all of the smoke alarms. Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a family meeting place outside where everyone can meet.
- Remember—practice your plan at least twice a year!
