CENTRAL KITSAP FIRE & RESCUE

2018 Coat Drive

FROM: A/O Shawn Mahoney

Thanks to the kindness and generosity of all who donated items to the 2018 Coat Drive, Central Kitsap Fire & Rescue was able to drop off a large donation to the Kitsap Rescue Mission on the morning of December 28th, which included:

- 7 large bags of clothes including coats, hats, scarves, shirts, and snow pants
- 60 wool blankets
- 136 sleeping bags

Thank you to everyone who helped make the 2018 Coat Drive a success!

Kudos Corner

Kevin Bernt has completed his year of trial period as a Lieutenant and is officially a LT as of 1/1/2019! Job well done!

Do you have something newsworthy to share?

Send in your material (photos, articles, etc.) to Serena Prince (sprince@ckfr.org) for inclusion in the CKFR Weekly!

Department Directive: ESO

From: Jeff Sorenson, Deputy Chief

Pursuant to Dr. Hoffman's directive to track all lift assists, I have updated the DD for ESO to include a bullet about the documentation he desires. An email from FF/PM Bresnan will follow explaining the necessary information. Please be assured, we have worked to make this as minimally invasive to your day as possible. This new requirement began on January 1, 2019.

Update on the Dashboards

From: Bob Morley, IT Program Manager

With the switch to ESO, our dashboards are no longer showing useful data. With that said, the dashboards installed at each station have been given an overhaul. Please make sure all dashboard monitors/TV's are on and displaying the current dashboard. This is our first attempt at revitalizing these dashboards, so if you have suggestions as to the types of items that could be displayed, please send them to Chief Sorenson. *We welcome feedback!*
