CENTRAL KITSAP FIRE & RESCUE

# FIRE OPS 101

Fire Ops 101 was held on Saturday, September 30, hosted at the Kitsap Readiness Center. This operation was a collaborative effort from regional fire departments and the unions. The goal of this event was to reach out to local elected officials and members of the media in hopes of sharing a little taste of what firefighters do each day. We've included photos that show all of the different scenarios – Live, Fire, Search Maze, Vehicle Extrication, Mega Code (CPR), and Vertical Ventilation.

We want to extend a big thank you to all of our participants: Phil Cook (Kitsap County Assessor), Ed Wolfe (Kitsap County Commissioner), Christian Vosler (Kitsap Sun Reporter), and Nate Andrews (CKFR Commissioner). We would also like to thank our Staff and Rehab Volunteers, that helped make this event a huge success!
