# Employment Opportunity—Closing Soon!

## Part-Time HR Generalist for CKFR

Central Kitsap Fire & Rescue (CKFR) is currently accepting applications to fill a new part-time position of Human Resources Generalist. This is an outstanding opportunity to work in the HR Division and support Human Resources functions across the District. The ideal candidate will demonstrate the highest standards of personal and professional conduct and be comfortable serving in a confidential position. Candidates can expect to work in an environment that is dynamic and service oriented. It is essential for the candidate to be highly skilled in organization and administration, have knowledge of hiring practices and laws, L&I, FMLA, Worker's Compensation and HR best practices. Must have previous experience as an HR Assistant or Generalist. Excellent verbal and written skills, a high level of attention to detail, and the ability to properly explain benefits, laws, and processes to employees. For the position description, go to: <https://www.ckfr.org/join-ckfr/employment-opportunities/>

The application packet is DUE no later than 4:30 PM on Wednesday, October 18, 2017.

## FLOOR PLAN DRAWING CONTEST

The JMG is working on developing a rough floor plan for a new classroom building at the Kitsap Readiness Center. **(Pictured left is a sample only)**

**Chief Weninger will provide a gift card to the member that provides the best draft floor plan by October 15<sup>th</sup>!**

### Drawing Requirements:

- Total foot print is 60' x 144'
- Restroom facilities including showers
- Several classrooms that can be transitioned into a large meeting space
- Several offices

# ***This is the first call for the new Medic 56!***

**From:** David Stebor

**Sent:** Monday, October 09, 2017

E56 was dispatched for an assist call. PM Eric Keim and PM Dan Martin were busy back at the station switching over from old to new, putting the new medic 56 in service. We needed the stair chair and had M56 respond to help.

## ***B-Shift's got the "moves"***

B-Shift had the opportunity to help a local Navy family. The mother (Amanda) asked for help loading a moving truck for her daughter and son (who are currently underway) for their move to the Submarine base. Amanda's husband is a Battalion Chief for Bella Vista Fire Department in Arkansas and reached out to CKFR for help. B shift answered the call and turned out with hesitation this morning for the job.

Thanks to all who helped: Tom Sullivan, Brock Shaffer. Tony Giove, Charlie Bratcher and his son Chad, Aaron Rankin, Carl Tesch and Dan King. Also thank you to Nick Morgan, Kara Putnam and Austin Backus who showed up to help after the truck was loaded.

# CTOBER CANCER AWARENESS MONTH

*56C sporting pink t-shirts in support of breast cancer awareness month!*

*Board Meeting on Monday, October 9!*

## ***Fire Safety Day at Home Depot!***

On Saturday, PIO LiMarzi and the crew from Station 64 attended Home Depot's Annual Fire Safety Day. Participants were able to build a Fire Station piggy Bank, learn to Stop, Drop, and Roll, and meet Sparky.
