CENTRAL KITSAP FIRE & RESCUE

CKFR WEEKLY

*Thank you,
Tammy!*

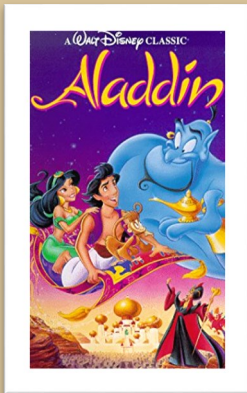

*The original
District 15'ers
provided material
this week to remind
you of the simpler
times . . .*

*Wishing you a
happy and healthy
retirement!*

Tammy Sargeant joined District 15 in 1992 . . .

Here are some things that were going on that year:

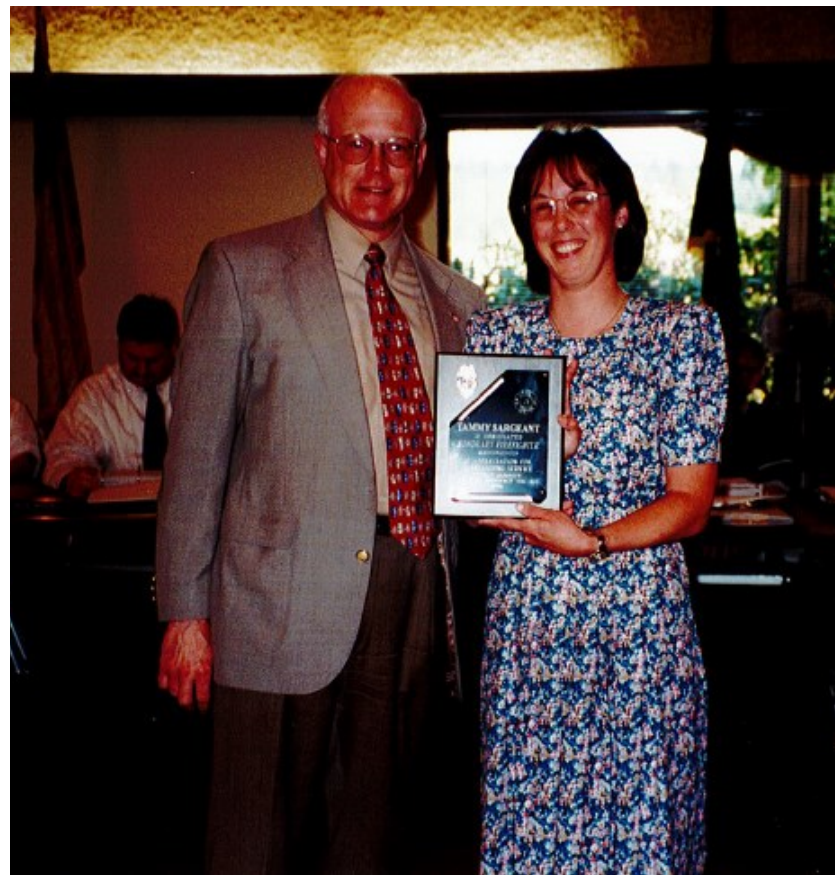

1. Bill Clinton was elected as the US President.
2. The US Mall Of America opened its doors to shoppers. It is the largest shopping mall in the US, originally covering over 78 acres and has since expanded to more than 96 acres.
3. John Gotti, head of the Gambino crime family, is sentenced to life in prison without the possibility of parole.
4. Popular movies "Aladdin," "Sister Act," "The Bodyguard," "Basic Instinct" and "Home Alone 2: Lost in New York" are all released.

5. Whitney Houston sets a then-record with "I Will Always Love You" staying at no. 1 on the Billboard Hot 100 for 14 weeks.

6. "Barney & Friends" and "Martin" both premiere on television.

7. During a spelling bee at a Trenton, New Jersey elementary school, U.S. Vice President Dan Quayle erroneously corrects a student's spelling of the word *potato*, indicating it should have an e at the end.

8. The Washington Redskins win the Super Bowl XXVI, beating the Buffalo Bills, 37-24.

9. The Chicago Bulls win the NBA championship for the second year in a row with the help of Michael Jordan and Scottie Pippen.

10. Kris Kross, known for songs such as "Jump," are notably wearing their clothing backwards.

HR CORNER

We are very sad to see Tammy Sargeant leave us after 26 years of dedicated service. She will be missed not only for her fine work but for the many relationships she has built, supporting us through the good times and the difficult times. And even more, assuring we get the right check at the right time to the right place! Many thanks Tammy for all you have done. We send you off with the best wishes for a very happy retirement!

Currently, we have made a conditional offer for the Accounting Specialist position. In the meantime, Tim and Amy will be working closely together to be sure that payroll goes out for February on time. We hope to have a new person on board by the end of February. HR and Finance are working closely together to make this as seamless a transition as possible.

Employment Opportunities

HUMAN RESOURCES DIRECTOR — Central Kitsap Fire & Rescue is currently accepting applications to fill the position of Human Resources Director. This is an outstanding opportunity to work closely with the Executive Team to provide support for a variety of human resource functions across the District. View the full job posting on our website: <https://www.ckfr.org/join-ckfr/employment-opportunities/>

Applications are due no later than 4:30 PM on Friday, February 16, 2018.

On Thursday, Admin Staff had breakfast to celebrate Tammy and her seasoned career with CKFR!

A big thank you to Invisible Fence Brand, Peninsulas for donating 30 pet oxygen masks to our department!

This week's visit at Central Kitsap Fire and Rescue's Station 51 included dachshunds Sophie and Bandit and German Shepard Chevy. Sophie and Bandit both demonstrated how a pet oxygen mask is specifically designed to fit them.

This donation will help firefighters continue to take care of your four legged family members in the event of a fire.

In September 2017, CKFR crews rescued three animals from a structure fire at a local apartment building. A dog, a kitten, and a snake were all removed by firefighters and the kitten, named Velcro, was placed on oxygen using a mask specifically designed for pets.

We have those masks on our rigs thanks to the generosity of Invisible Fence Brand Peninsulas and their donation today allows us to continue to care for Central Kitsap pets.

This donation is just a small part of Invisible Fence® Brand's Project Breathe™ program, which was established with the goal of equipping every fire station in America and Canada with pet oxygen masks. These masks allow firefighters to give oxygen to pets who are suffering from smoke inhalation when they are rescued from fires and often save pets' lives.
