CENTRAL KITSAP FIRE & RESCUE

KING 5 INTERVIEW WITH DAN FYE

On Thursday, CKFR Volunteer Dan Fye spoke to KING 5 about pursuing his dream of becoming a firefighter after losing part of his left leg in Afghanistan.

Stay tuned to hear when his inspiring story will air on KING 5's afternoon show "Take 5".

A big thank you to Dan, Chief Oliver, Captain Goodwin, and the crew of 41B for your assistance and work with the KING 5 crew.

PIO LiMarzi

HR CORNER

As you know, HR is undergoing some changes . . .

We've experienced a lot of transition in HR over the last few months, and while we will certainly be missing Lindsay Anderson and Marci Ewing, we're really excited to have Sam Luisi on board and we're grateful to Sandy Schneider for picking up some additional HR duties. We hope that everyone can continue to bear with us as we work through this transition. As a reminder, it's a great time to start using the HR portal for questions if you're not sure whom to ask, because those are essentially "help tickets" that will be routed to the appropriate person; [located on the intranet under the HR Tab and then the Employee Portal link](#).

NEW POLICY FOR REVIEW:

FINANCE CORNER

Several Finance team members will be out of the office for training the week of September 17th. To accommodate this, please turn in all blue slips, PO's and purchase card receipts no later than noon on September 13th for inclusion and payment in the last check run of the month.

Harrison Medical Center Update

Harrison Medical Center's Silverdale campus expansion is expected to open in January 2020 and will feature state-of-the-art medical technology, a new acute care facility and provide comprehensive healthcare services to the Peninsula community. This facility will be one of the most energy efficient hospitals in the country and the most energy efficient in the state.

Services will include: A 60,000 square foot Cancer Center, Heart and Stroke Care, Surgical Services including Robotic Surgery, Birthing Center with NICU Level 2, Orthopedic Care, 24/7 Emergency Services.

BRUSH FIRE @ ANDERSON LANDING PRESERVE

At 8:15 on Thursday morning, CKFR crews responded to a brush fire at the Anderson Landing Preserve. The fire was approximately 20' x 20' and was slow moving involving brush and standing timber on the edge of a ravine in steep terrain.

Thirteen firefighters with specialized Wildland Urban Interface training handled this event and kept this fire from spreading further into the ravine and from threatening nearby residences.

Three Engines, one Ladder Truck, two Tenders, one Utility, and Command extinguished and mopped up this fire with 4,000 gallons of water.

Firefighter newlyweds: No gifts, guests asked to donate to stations

When two local firefighters got married recently, rather than register for wedding presents, they decided to do things a little differently.

Ileana LiMarzi and Jason Tucker, who got married on July 28, are both firefighters in the area. LiMarzi is a member of Local 2819 Central Kitsap Fire and Rescue and Tucker is a member of Local 3219 Marysville Professional Firefighters.

Rather than asking for gifts, the couple pledged to their guests that all cash gifts would be donated evenly between the 7th District Benevolent Fund and the Local 2819 Benevolent Fund.

The cash gifts totaled \$1,500.

When asked why the couple decided to donate, LiMarzi sent KIRO 7 this statement:

“Jason and I feel so blessed in our lives and there was nothing we needed for our wedding except to share that day with our family and friends, but many people had asked what we'd like for a wedding gift. We've both been involved with our benevolent funds and have seen firsthand the wonderful work that they do. Our Fire Fighter Benevolent Funds not only help firefighters and their families, but also assist members of the community that are in need. It's not uncommon for the benevolent fund to step in after a fire in the community, for example, and help the families that were affected. It was an easy choice to split any monetary donations we received between our two groups and we thank everyone who gave so generously.”
