FINANCE CORNER

Attention all CKFR Project Managers!

We have budget tools for you.

Curious about how your program is doing compared to budget? Every month, the Finance team prepares a detailed variance report for all the District's budget expense line items for each Division. These reports are published on [SharePoint](#). Let the Finance Director or your supervisor know if you have any questions.

Washington Finance Officers Association Annual Conference

Members from our Finance team attended the WFOA Conference in Vancouver this week. Pictured here, Tammy Kamphaus and Heidi Robnett at the banquet dinner on Thursday. Tammy says that they've had a great time with a lot of great information and learning, and have met a lot of fantastic people from other agencies!

32nd Annual IAFF Fallen Fire Fighter Memorial

This past Saturday, September 15th, more than 6,500 people gathered in Colorado Springs for the 32nd Annual IAFF Fallen Fire Fighters Memorial. Among them were representatives from Kitsap County ... members of Local 2819 and Local 437 gathering to honor those we lost in 2017, including our local Brother, Bremerton Firefighter/Paramedic Jimmy Hendryx.

Approximately 1,200 Honor Guard members from the United States and Canada helped pay tribute to the 271 names that were added to the memorial wall. 211 of those were job related cancer deaths, 19 of which died from toxic exposures during response and clean up at Ground Zero. Another two members had died by suicide for what was determined to be job related PTSD.

Despite the somber reason we had gathered, there was also such a strong feeling of support and love. Family members who had lost someone were identified by the yellow lanyard they wore around their neck. It was our duty and our pleasure to make them feel welcomed and taken care of. Simple things like moving them to the front of the crowd so their kids could see the Pipes and Drums play, or insisting they go first in a long line for food or drink ... these small acts made us *all* feel good.

This was an experience I'll never forget and I already plan on going back in the future. If you have the time, I would encourage watching the ceremony online.

CKFR SLOGAN CONTEST IS IN FULL SWING

We need a short slogan, motto, or catch phrase to continue our community connection and further refine our external identity. The Fire District's fleet services has used "Pride in the Ride" for years and it is now time to find one for the entire department. With that said, we will be having a contest to determine CKFR's new slogan! The contest will begin immediately. Chief Oliver will be providing a \$50 gift certificate to the individual or a BBQ dinner for the crew that comes up with the winning slogan.

The entries can be sent to Serena electronically or presented in person (*if substantiation or fanfare is needed*). Please keep in mind that the slogan needs to be concise and needs to reflect the fabric of this profession and our organization. Although this creative opportunity has no boundaries, the Fire District's core covenants do, and the slogan should reflect that. We look forward to reviewing your submissions! The deadline for this contest is November 1. Contact Serena if you need more details.

Here are some examples that we've seen before:

- "Pride and Purpose"
- "Integrity meets Excellence"
- "Semper Fidelis"
- "Semper Paratus"
- "Serve and Protect"
- "Central Vigilans"
- "Medius Officium"
- "Protect and Serve"
- "Service above self"
- "Prevent, Prepare, Respond"
- "Your friend for life!"

Although many members were in Colorado Springs at the Fallen Firefighter Memorial and some were deterred by the weather forecast, we were still able to enjoy great food, beverages, corn hole, friends and raise money for the Benevolent Fund!
