THANK YOU!

CK Medic One would like to say thank you to everyone who donates through payroll deductions.

The foundation works collaboratively with CKFR to identify and prioritize medical equipment and resources that the Foundation may be able to provide to enhance services to residents in the Central Kitsap area. Donations have allowed the foundation to provide support to the CPR program, stethoscopes to new Medics, laryngoscopes, water rescue equipment and much more. During open enrollment, we would like to remind everyone to consider a payroll allotment donation to Central Kitsap

Medic One foundation. Your continued support is greatly appreciated.

Take-Back Day designed to collect unwanted medications

PORT ORCHARD, Wash. -- This coming Saturday the Kitsap County Sheriff's Office will provide county residents with its 16th opportunity in eight years to prevent pill abuse and theft by ridding their homes of potentially dangerous, expired, unused and unwanted prescription drugs.

Two local law enforcement agencies are conducting a Take-Back Day event to assist Kitsap residents with the proper disposal of unwanted medications.

This is a national endeavor under the auspices of the U. S. Drug Enforcement Administration.
