2018 COAT DRIVE

It's that time of year again where the weather is getting colder. Please take a look in your closets and see if there are any coats and foul weather clothes you don't wear anymore, as I'm sure someone could get some use out of it. Please send clothing items to Station 45 as a collection point marked "coat drive". We have had great turn outs in the past and I am hoping we can do well this year. Please don't hesitate to ask your friends and family members for support!

Thanks for your help,
A/O Shawn Mahoney

So what's new
at CKFR?

RIGHT: Our new Water Tender was on display at a recent Pierce Manufacturing sales meeting!

LEFT: Pink shirts at work! Probationary Firefighter Joey Werlech gets down and dirty to help a citizen shut off a water valve after a pipe was broken.

Thank you again to all for coordinating pink shirts to help raise cancer awareness for the whole month of October!

LEFT: A/O Ron Jackson's mom, Janet, is visiting from California this week and took a moment to stop by the station to say hello. Welcome, Janet!

BELOW: Station 55 had some trick-or-treaters stop by!

LEFT: On Wednesday, Elwood (LT Steve Davison) and Jake (Captain Kevin Goodwin) helped out a damsel in distress when she ran out of gas.

RIGHT: Captain David Stebor and FF Alex Johansen opened the doors at Station 45 to trick-or-treaters and handed out a generous amount of candy!

Pictured are Captain Stebor's niece and nephew who live nearby in Station 45's response area.

LEFT: BC Brett Twomey and KCEMS Admin Assistant Danielle Macklewich pose together while unintentionally matching costumes!

LEFT: CKFR Firefighters hand out candy to the trick-or-treaters at the annual Seabeck Conference Grounds Halloween Event!

BELOW: All three shifts at CK Fire have been going back to school this week. Tours of CK Middle School and CK High School were conducted with engineers and project managers from Skanska Construction. This huge project is moving quickly with CK Middle School set to open after Spring Break. It was a fantastic educational experience for the firefighters to see the various stages of construction and variety of methods/materials throughout the buildings.

RIGHT: Station 51 also had some visitors stop by...looks like a couple of young CKFR recruits were among them!

LEFT & ABOVE: FF/EMTs Mike Smith and Will Llewellyn attended a Rope Rescue Technician Course in Index this week, put on by Wavetrek Rescue.

RIGHT: CKFR Commissioner Dr. Guy Earle gave an engaging presentation on Firefighter Wellness at the annual conference in Yakima!

LEFT: Will the real CKFR Fire Chief please stand up?

BELOW: An uncanny resemblance to the Blues Brothers.

LEFT: The women of CKFR's Admin Staff came together and dressed as none other than the Spice Girls! *SPICE UP YOUR LIFE!*
