Payroll Changes

FROM HEIDI: You may notice some changes in your deductions for paychecks on December 31. Medical rates have increased for 2019, and these changes will be reflected in the December paychecks because we pay the medical premiums in advance. Any life insurance changes will also be reflected in your December paycheck. Please see HR or Payroll with any questions!

Central Supply Notice

Please get your urgent orders to Central Supply over the next week, otherwise contact the Duty Chief for any needed items until January 7.
