Reminder from Finance on your Planned 2019 Budget Expenditures:

From: Finance Director Tim Maule

Year end is fast approaching! Please review your planned 2019 budget expenditures and make sure they are purchased—and paid for—before year end. July variance reports are available on SharePoint to help you see what you planned in your budget line item(s), how much you've spent so far, and what's remaining.

July Variance Reports

Invoices must be paid before year end in order to avoid losing your budget appropriation. Give yourself and purchasing staff plenty of lead time when ordering equipment or supplies. District P-Card purchases should be made by November 21st and normal invoices turned in for payment by December 4th. Please contact Finance or Purchasing if you have any questions!

DROP DEAD DATES:
November 21st for P-Card Purchases
December 4th for Invoices

Registration for the 2020 LLS Firefighter Stair Climb

From: PM Doug Bekenyi

It is once again time to think about climbing stairs for a cure! Last year, we had a stellar year with over 10 members on our team. Let's see if we can beat that this year! **Remember that the event fills up rather fast so you need to be at a computer ready to apply at 0900 on September 19th.** Thanks to all who have supported this event in the past. We are looking forward to an awesome Stair Climb event this season!
