

CKFR WEEKLY

Thank you to everyone who came out for our chili feed this past weekend! We were blessed with great weather and we have THE BEST community.

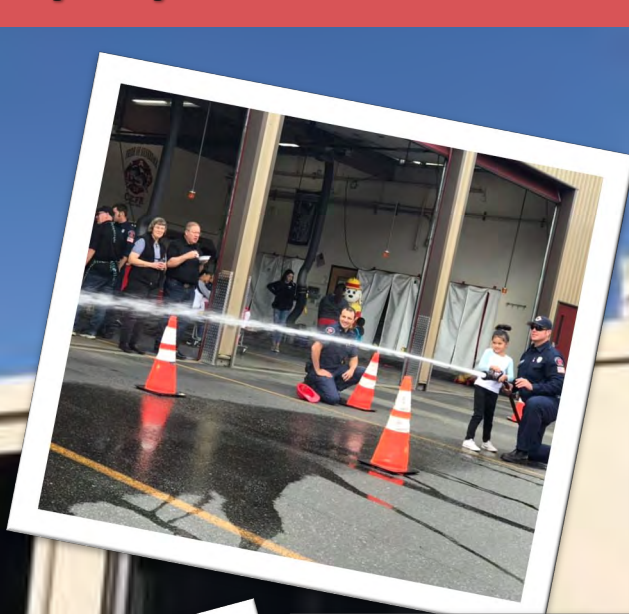

It was so fun to have you all! Chili, engine rides, Sparky, spraying the fire hose ... it was all a blast! This was our biggest turnout ever.

I'd also like to thank all CKFR members who made this a successful event. From the on duty crew at Station 51 that day to the volunteers ... this can't be done without you. A special thanks to A/O Crosby and Chief Danskin for helping make the chili each year and to Volunteer Judy Henneman for always serving with a smile.

I appreciate you all! ~ PIO LiMarzi

B Shift MCO

On October 7th, B Shift completed MCOs at Station 41.

We had two successful drills that were and fun, challenged us physically, and mentally while working as teams.

On the tower rescue we observed 5 teams with 5 unique ways to complete it. All were done satisfactory, with E45 & A45 completing the fastest time of 6:13.

Well Done 45!

Rescue Swimmer Drill

C-Shift crews conducted Rescue Swimmer drills at Island Lake Camp. LT Brown hosted the drills designed to test communications, water based search and rescue techniques, RDC deployment and swimmer endurance. A big thanks to Island Lake Camp for supporting this drill!!!
