Silverdale Way

CKFR NEWS

Above/Right: On November 6th, A-Shift provided safety talks, read books, and proudly showed off the ladder truck to the kids at Martha & Mary Kids Early Learning Center on Anderson Hill Road.

Left: At Tuesday's Board meeting, Chief Oliver presented USS Pennsylvania (Gold) COB, Master Chief Dylan Lapinski with the Civilian Action Award for actions he took to save a civilian during a house fire in Silverdale on the morning of October 30, 2019.

Right: Jeff and Dawn Ruth stopped by Station 51 on Thursday to donate her fire department patch collection that they salvaged from their Frontier Place home post-fire. Jeff and Dawn were in good spirits and are committed to rebuilding their home. They expressed extreme gratitude for the actions of our CKFR crews on the morning of October 30th and we sincerely appreciated their visit!

Update on the Capital Facilities Plan

The Board of Fire Commissioners unanimously approved a Capital Facilities Plan on November 12th. The plan identifies consolidating and improving nine fire stations to enhance community safety and create a healthier work environment for firefighters.

There are plans to hold community meetings after the first of the year to take input on the idea of bonding for the facilities. A copy of the Capital Facilities Plan, including a full list of station projects, is available at www.ckfr.org/bond-proposal/. Chief Oliver also welcomes questions at joliver@ckfr.org or (360) 447-3566.

Pictured above are prototypes only.

Sign up for the Santa Runs!

All CKFR Members are encouraged to sign up for this holiday tradition! Santa will be riding a fire engine through various neighborhoods in Central Kitsap as he's transported by CKFR. Each evening's route will start around 6:00 pm.

CKFR Lieutenant Kevin Bernt

kbernt@ckfr.org

On February 4, 2007, a tragic fire changed the life of Firefighter Lionel Crowther and his family. What was reported as a residential attached garage fire proved that ***no incident is routine. When the smoke cleared and the flames were extinguished, two fire captains had been killed and four firefighters, including Lionel, were severely burned.***

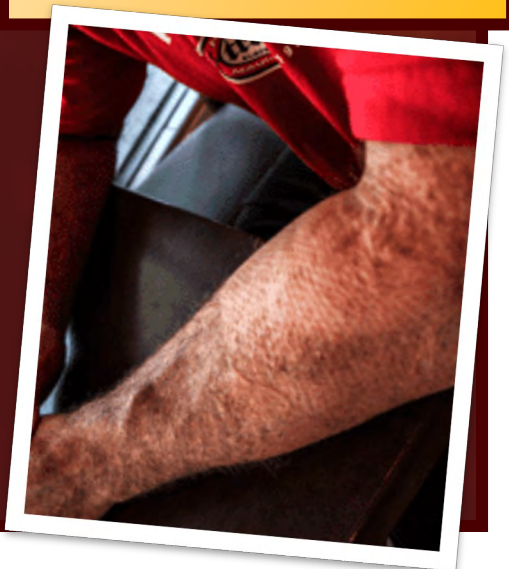

Please join us for this free presentation as Firefighter Crowther shares his experiences from that fateful night:

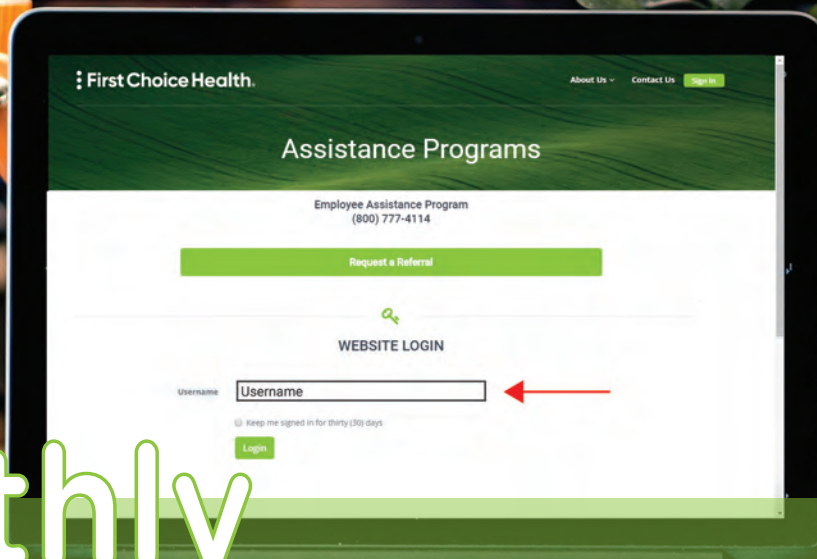

1. Department members received RIT training but were not trained on how or when to call a mayday, a missing component that would prove critical to the outcome of this incident.
2. The importance of being a student of every fire.
3. The need to acknowledge our own weaknesses and see where we have opportunities to improve.
4. The importance of not judging others, regardless of their opinions.
5. The value of learning from LODD reports and near-miss reports.
6. How many little mistakes add up and lead to catastrophe.
7. The impact of tragedy on family members.

The Presenter: Firefighter Lionel Crowther is a Master Instructor for the IAFF Fire Ground Survival Program, Master Instructor for the Petzl EXO Escape System, Trainer & Peer Supporter for Burn Survivor Fire Fighters & families, graduate of the West Point Sciences of Behavior Program LAFD Academy .

CENTRAL KITSAP
FIRE & RESCUE

Monthly WEBINAR

Employee Assistance Program
November 2019

1hr
WEBINAR

***Money is Emotional:
Prevent Your Heart from
Hijacking Your Wallet***

**EAP Webinars are available
anytime on-demand via the
EAP website—no need to
register!**

**This webinar pulls back the curtain on why we do
what we do with our money.**

Christine Luken's "Mindful Money Management" approach to personal finance is unique in that it harnesses the power of positive thought and emotions - and short circuits the negative ones. Participants will learn how to navigate emotional money situations with purpose and confidence, so you can ensure that your heart won't hijack your wallet.

Go to www.FirstChoiceEAP.com and enter your company's Username (if you don't know it, give us a call).
