CKFR & CKSD SIGN INTERLOCAL AGREEMENT

PROPERTY WOULD BE LOCATION FOR FIRE STATION

09/17/2020 - MEDIA RELEASE

Silverdale, Wash. - The fire and school districts serving Central Kitsap county approved an interlocal agreement for property this week. The agreement allows Central Kitsap Fire & Rescue to lease land from the school district at a cost of \$1 per year. The land would be home to a new fire station to serve Seabeck and the surrounding communities if voters approve funding for a facilities bond this November.

FAREWELL TO VOLUNTEER BILLY GARRISON

Thank you for your service, Billy!

William (Billy) Garrison, Jr. is a Master-At-Arms Petty Officer Second Class with the United States Navy and has been relocated to his new assignment.

For the last three years, Billy volunteered with CKFR and was qualified to drive and operate Water Tenders, Rehab, and BLS transporting vehicles. He assisted with many community events such as destruction derbies, high school football games, wrestling, dog shows, Kids Day, fun-runs, Whaling Days, rodeos, and the Kitsap County Fair.

We wish him all the best on his new assignment!

2021 ORGANIZATIONAL GOALS

We are nearing the end of 2020, and it's that time for our organization to start looking ahead at our priorities for 2021.

2020 has been a challenging year because of ...*gestures broadly*... BUT, despite all of the unexpected twists and turns, our organization has stayed on track! *Woot woot!*

During our virtual Board of Commissioners meeting on September 14, the BOC unanimously adopted the District's 2021 Organizational Goals.

Thank you to everyone who provided input on the 2021 goals, and, to all of our members: Keep up the good work!
