## ANNUAL SANTA RUNS!

We are pleased to announce that Santa Claus has planned his trip from the North Pole this year so that he may take part in the annual Central Kitsap Fire & Rescue Santa Run!

Santa will be riding a fire engine through various neighborhoods in Central Kitsap as he's transported by CKFR. Each evening's route will start around 6:00 pm. Although we don't have exact times for each neighborhood, the firefighters have assured us that the lights on the fire engine will help announce his arrival in your area.

Dates and route maps will also be posted on [www.ckfr.org](http://www.ckfr.org).

**\*\* Traditionally, Santa has given out candy canes and accepted food donations for the CK Food Bank. Due to COVID, 2020 will be a contactless Santa Run. NO candy canes will be given out and NO food donations accepted. We will provide bins at each staffed station to accommodate donations. \*\***

We hope everyone has a great time! Just make sure Santa gets back to the North Pole in time for Christmas!
