News & Updates

Battalion Chief Promotion

Brock Shaffer has just been promoted to Battalion Chief! Please join us in congratulating him on this achievement.

Join Us for the State of the District Live!

Chief Oliver will be giving his 2021 State of the District address on Zoom and Facebook LIVE to the community on Feb. 2nd at 6:00pm. Meeting access instructions will be posted on www.ckfr.org. The public will have an opportunity for Q&A.

in loving memory

Les Scholfield

With heavy hearts, we are sad to inform you that our retired Commissioner with District #15, Les Scholfield, has passed away. We thank Les for his many years of service to the Central Kitsap community. Our condolences go out to the Scholfield family.

COVID-19 Vaccine Update

As of Jan. 18, Washington state is recommending healthcare providers vaccinate people eligible under Phase 1b Tier 1 of vaccination. See the Kitsap Public Health District's [vaccine page](#) for details.

December Event Coverage

Thank you to all who helped out!

Admin office closed

February 22

Board of Commissioners Study Session

Congratulations from the Training Division!

Congratulations to the following individuals for passing major milestones:

- **Zach Smith** and **Jen Sargeant** passed their final probationary exams;
- **Devion Hagen** and **Jesse Graham** passed their Step 2 exams;
- **Gian Dalle, Joey Werlech** and **Jamie Monroe** passed their Top Step exams.

We appreciate all the hard work these individuals have put into accomplishing these big steps. We also appreciate the crews who have dedicated a great deal of time and energy to support and train our junior members.

Congratulations to all!

RESCUE TRAINING

A-shift L51 and R64 met at the Bremerton Training Center to conduct rescue operations training. Even probationary FF Patterson was sent over the edge!

DRONE TRAINING

A-shift Firefighter Marshall maneuvers the CKFR drone through a training course to obtain his Drone Pilot designation. Our drone program will provide aerial recon at emergency incidents.

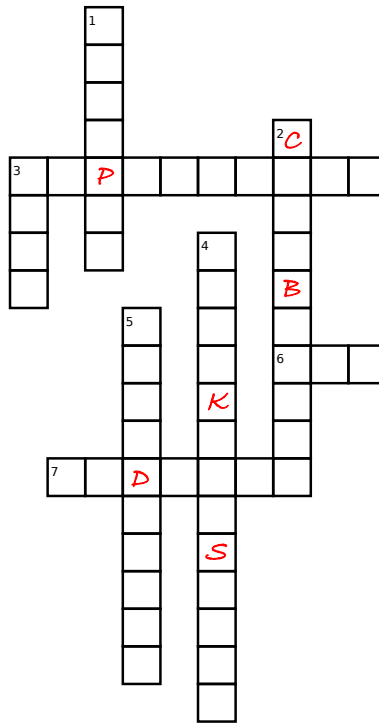

SCBA TRAINING

LT Bigelow watches as probationary FF Patterson dons his SCBA. The standard for this evolution is 60 seconds, and new firefighters routinely practice to ensure all of the elements are perfect. (PFF Patterson's time was 44 seconds on this attempt.)

The Great Seattle Fire Crossword

*Contributed by:
Parker Samuels
& JD Tollefson*

Down:

1. Accidently started the fire
2. 25 were destroyed in the fire
3. opposite of volunteer fire department
